

Choose Outstanding Students of 1966

Michael Sterbenz and Melonnie Jensen have been chosen outstanding Boy and Girl of the Senior class of 1966 of Antioch Community High School.

Choice of the outstanding students is based on academic success, participation in activities, leadership and character. The selection was made by faculty vote.

Melonnie Jensen, 477, First St., Antioch, is an honor student who stands third in a class of 189 students.

She has been active in extra-curricular activities, having participated in GAA, Student Council, Pep Club, Year Book, Latin Club, Spanish Club and FTA. In addition she was elected to the National Honor Society and her class executive board.

Offices she has held include Parliamentarian of the Student Council, Copy Editor of the Yearbook, President of the GAA, and vice president of the Pep Club.

Melonnie's hobbies include attendance at athletic events and reading.

Other awards she has won include election as a Girl's State representative, recipient of the DAR award of 1966, and recognition as Miss Basketball Fan of the 1965-66 season.

Melonnie Jensen

Mike Sterbenz

Melonnie plans to attend Drake University after graduation where she will major in Speech. He hopes to become a high school speech teacher.

Michael Sterbenz, Rt. 2, Box 454, Antioch, is an outstanding student, standing fifteenth in his class.

During his high school career, Mike has received frequent recognition as an outstanding athlete in football, basketball and track. He was all-conference in football and basketball and was a member of the school's Letterman Club.

He plans to attend Brigham Young University, majoring in either engineering or business administration. He hopes to be successful as a two-sport man in basketball and football in college.

Mike's hobbies include water skiing, basketball and football.

School Elections This Saturday

Members of the Boards of Education of the local schools will be elected in voting Saturday, April 9.

Polls will be open at all the schools from noon until 7 p.m. Saturday.

Two members are to be elected to three-year terms at the Antioch Community High School. The two incumbents, Robert Denman and John Blackman, are running for re-election and are unopposed.

There will be three polling places for the High School election: Antioch High School, the Lake Villa Grade School and the B. J. Hooper School.

At Grass Lake School, there are three candidates for the two positions open. Incumbents Charlotte Queen and Robert Hart are running for re-election, with Donald Brown the third candidate.

A lively contest has developed at the Antioch Grade School, where six candidates are running for the two seats on the board.

Incumbents Elroy Anderson and Les Sorenson are not candidates. The six candidates for the board are Raymond Enzenbacher, Arland Clark, John A. Fries, Mildred LaPlant, Harold H. Knutsen and Charles P. Mapleshorpe.

Fries has five children, three of them attending Antioch Grade School. His wife is the former Mary Curness. He is a graduate of the U. of Illinois and is an accountant for Pansteel Metallurgical Corp. He has been with the firm 15 years, and has resided in Antioch nine years.

Mildred LaPlant is a teacher at Grass Lake School. She has taught at Grass Lake eight years. She is a graduate of the University of Illinois, a native of Antioch. She attended Antioch Grade School and High School.

Miss LaPlant says she feels that she knows school affairs from every angle. She says she believes she can represent the interests of the teachers and children as well as the taxpayers.

Harold H. Knutsen is a manufacturer's representative from Vollrath Co., Sheboygan, and Harper K. Ransburg Co. of Indianapolis. Mr. Knutsen has one child in Antioch Grade School and two in Antioch High School.

Charles P. (Todd) Mapleshorpe is an employee of the village and a member of the Antioch Fire Department. He has two children, one in first grade and one pre-school child.

Raymond Enzenbacher is from Channel Lake. He served on the Channel Lake school board before the district was annexed to the Antioch Grade School district.

Arland Clark states his qualifications for the position in a letter to the Editor on this week's editorial page.

Choose Winners In Easter Egg Decorating Contest

Lew Simon's Easter Egg decorating contest really caught on with the younger set. Dozens of beautifully decorated eggs are on display at the Shoe Box, and will be until Easter. Youngsters may pick up their eggs after Easter.

Judges Preston Reckers, Mrs. Jane Craner and Mrs. Ellen McDowell had a hard time choosing winners from the clever and beautiful entries.

Winners in the 9 to 12-year age group were Alice Butte, Brinson Perkins, Diana Dyer, Pam Gable, Dawn Larsen, Debbie Braecker, Skip Drie, Bradley Fox, Gregg Sorenson, Riely Cerk and Bill Gable.

In the three to eight year age group, winners were Carla Rasmussen, Richard Larsen, Randy Eugene, Lexa McPherson, Carol Scott, Denise Golonka, Diana Willett, Linda Dyer, Carol Marcussen, Daniel Hagl, David Dyer, John Heick and David Marcussen.

Hunt Eggs For Prizes

More than 100 children raced over the grounds of the Antioch Grade School last Sunday, hunting eggs and prizes in the Lake Region Jaycees' Easter Egg hunt.

When all the eggs had finally been retrieved, 4-year-old Donna Warner, 581 Orchard St., was the proud owner of a new tricycle, one of the main prizes. Eight-year-old Dorothy Nevitt, Rt. 3, Box 813, found the egg that won her a new bicycle.

The two big prizes were still unclaimed when children first gave up the hunt. The Jaycees sent the children out to hunt again. The two big prize eggs were finally found crushed beneath clumps of grass.

Linda Brown, Miss Lake Region Jaycee, presented the two big prizes to the lucky winners.

Shriners Take Children To Circus

The Chain O' Lakes Shrine Club took 107 Antioch area children to the Shriners' Circus in Chicago last Thursday.

Children from Antioch Grade School, St. Peter's, Grass Lake and Lotus School were among the children taken on the trip. The third grade at Antioch Grade School went. Children from 3rd and 4th grades at Grass Lake School were selected by drawing lots.

The children were treated to refreshments in addition to the circus. They left Antioch at noon and were home at 6 p.m.

The committee in charge of the outing were Charles Waters, Jack Geish and Jim Brusk.

Resuci-Annie

The Antioch Rescue Squad sponsored a demonstration of mouth-to-mouth resuscitation and external heart massage at the Rescue Squad building Monday night.

Letters were sent to local industries and schools inviting representatives to attend the demonstration.

Dr. James Kopriva conducted the demonstration, assisted by Dan Dugenske and the mannequin, Resuci-Annie. Resuci-Annie was recently purchased jointly by the Rescue Squad and the Antioch Fire Department.

The mannequin lets the demonstrator know whether or not the measures he is taking are effective. Gauges on the mannequin register the amount of air the mannequin is receiving, the effectiveness of heart massage, etc. New squad members, or others learning first-aid, are able to judge the effectiveness of their efforts by the response of the gauges on the mannequin.

Several of the local industries sent representatives to the demonstration.

Winners in the District Science Fair. Left to right, Kathy Wurster, Sandra Vasey, Jody Meier, Sherry Thompson and Bob Hunt.

On To Champaign For Science Fair Winners

Several Antioch area students will be going to Champaign May 6 and 7 to display their science projects at the State Science Fair.

The winners of the preliminary Fairs displayed their projects at Lake Forest College April 2. Winners at Lake Forest got the chance to take part in the State competition.

First place winners from Antioch High School were Marcia Murrie and Glen Oeffel. Glen was also a winner last year.

Lake Villa Grade School has six youngsters who took

first place honors and will go to Champaign. They are John Prossie, Jody Meier, Sandy Vasey, Sherry Thompson, Robert Hunt and Kathy Wurster.

Mary Wolff, from Prince of Peace School, is another first place winner.

Mary Stefanski of Antioch High took a second place, Sue Sherwood third.

From the Oakland Grade School, Don Dill and Calvin Baker, and Janet Schenkel were second; Elaine Wells, Janice Doolittle, Marilyn Olson and Terry O'Higgins were third.

From the Edmunds Grade School Heather Petty was third.

Second place winners from Lake Villa Grade School were Bill Flanagan, Jim Lewis, Sue Severson, Jan Prehn, Tom Maki, Karen Walker, Cindy Stritar, Linda Howe and Jim Moore.

Third place winners were Jan Flint, Barb Pfisterer, Linda Lance, Jack Powell, John Groshopf and Terry Spiller. From Prince of Peace, second place winners were John Sherwood, Larry Halvey, Elizabeth Oliver, Nanette Beager and Debbie Jones. Third places went to Steve Church and Richard Charbonnier.

Collects Third Ticket For Topsy Driving

Undaunted by two arrests for drunken driving last week William J. Jordan, 98 E. North Ave., Antioch, evidently pursued his erring ways Tuesday night and managed to collect another arrest from Antioch police on a charge of driving while intoxicated.

Jordan was arrested about a week ago by Antioch police on a driving while intoxicated charge. County sheriff's deputies picked him up for the second arrest a couple of days ago. Tuesday was the third arrest.

None of the cases has yet come to court, so Mr. Jordan is still in possession of his drivers license.

Board Rejects Sewer Bids

The Antioch village board rejected all the bids submitted on the Anita St. sewer project at their Tuesday night meeting, and voted to re-advertise for bids after a mild hassle with two of the bidding companies.

The hassle developed because the low bid of William Ziegler & Sons of Round Lake was accompanied by a bid bond instead of a check, and was qualified by a provision. Village engineer Roger Patzer pointed out that the other two companies had also failed to follow specifications. Each was bidding on different specifications, he said, making it impossible to compare figures accurately.

Representatives of E. Robinson Construction in Gurnee and George Kennedy Construction in Antioch started to argue the matter with engineer Patzer. Mayor Ray Toft cut the argument short with a bang of the gavel and recessed the meeting to give the sewer and water committee a chance to study the bids. They recommended rejection of all bids and return of checks and bid bond to the bidders.

PARKING LOT PROGRESS

A committee of Mayor Toft, Robert Wilton and Irving Walsh reported progress in negotiations for use of property for a parking lot behind stores on the west side of Main St. Property on Broadway, adjacent to the A & P parking lot, formerly owned by Mrs. Fields, has been purchased by Dr. Al Bucar. Toft said that Bucar agreed to give the village a five-year lease on the property. Two other owners have agreed to the use of their vacant property in the area for the purpose of installing a parking lot and road.

If consent of other owners can be obtained, the village will improve and backstop the area for parking, and for a road through behind the stores from the parking lot to Lake St. Mayor Toft appointed a committee of Robert Wilton, Vern Barnstable and Irving Walsh to purchase the matter.

Mayor Toft announced that applications for liquor licenses in the village should be in before the next regular meeting. He also pointed out that hook-up charges for connecting to the village sewers would go up to \$500, as of May 1. Oakwood Knolls subdivision residents had been given until May 1 of this year to hook onto the sewers at a fee of \$400.

A bid from Jedele & Cain to audit the village books was tabled for comparison with estimates from other firms.

Trustee Arthur Meierdink

announced receipt of a check of \$694 from the A & P to pay village employees for time spent at the site of the fire in their store and subsequent days.

Meierdink announced that Patrolmen Arthur Wortz, Jack Davis and Tom Ring are attending law enforcement school on their own time, for a three-week course, and asked the board to refund the total of \$45 fee for the course.

Representatives of the proposed subdivision, Westgate, asked for variance on two of the subdivision rules. They do not want to build sidewalks and want the width of three dead-end roads reduced from the required 32 feet to 27 feet.

The subdivision, being developed by the Osmond brothers, is west and north of the developed section of the village. As planned, the only entrance to the village would be on Lake St. west of David St.

Mayor Toft announced his appointments for members of the Zoning Board of Review and the board approved the appointments. Members are Fred Walpole, for a 2-year term, and to be chairman for

one year; Art Laurson and Robert Bolton, 1 year terms; Earl Pape, 2 year term; Dr. Edward Warner and Richard Radke, 3-year term, and Tom Haley, 4 year term.

Mayor Toft presented a request from Skatch Mfg. Co. that the village vacate a 30 foot road adjacent to the Skatch property. The property would then revert to the adjoining owners.

The street has never been improved and dead ends at Soo Line tracks. The board agreed it was useless for a road, but Trustee David Nissen pointed out that it might be needed some day for a well site.

The board decided to table the matter pending consideration.

It was announced that George Boyd has left the village employ and the village has hired Louis Capano to replace him.

Mayor Toft told the board that Vivian Mapleshorpe of the Antioch Answering Service has asked to be relieved of Rescue Squad and Fire Department calls from 9 a.m. to 5 p.m. weekdays. The Mayor pointed out that Garnett Oddsen could take the calls for these periods at the police department. The board approved the motion to comply with Mrs. Mapleshorpe's request.

Trustee Vern Barnstable announced that Bob Berg, North Ave., had some blue spruce trees he would like to donate to the village. Edgar Simonsen was instructed to put the trees wherever they would be useful.

Mayor Toft read letters from the Lake County Board of Health to the village and to Quaker Industries, instructing them to clean up areas near Quaker where trash had been dumped. The village property, the letter said, had trees and other trash that should be burned.

Quaker was instructed to dump only fiber glass and earth in a pit on their property, to cover it with dirt at least once a week, construct a fence and take precautions so that fiber glass would not seep into Sequoit Creek. They were also instructed to dispose of waste materials through use of an approved dump site once the pit is filled.

Edgar Simonsen was instructed to post "No Dumping" signs on the east side of McMillen road, where trash has been thrown in a drainage ditch.

Two young visitors to the board meeting, Fred and Marilyn Gras, were present to listen to proceedings. Miss Gras said she was a political science student at Carrol College.

Happy kids off to see the circus! The Chain O' Lakes Shrine Club took 107 youngsters from Antioch area schools to see the circus last Thursday. Here they are,

ready to take off for that happiest of childhood events, the circus.

School Board Elections

In this busy week before Easter, don't forget that Saturday is also the day the elections are held for members of the Board of Education of the local schools.

By far the greatest part of your local tax dollar goes to support the schools. The people who are members of the school boards have the final say on how a good deal of that money will be spent. In short, they're spending your money. Do you know who the candidates are? Which ones would you prefer to trust to spend your dollars, and decide how your children will be educated?

For example, the Antioch Grade School Board recently turned down \$14,000 in Federal money. The board members who voted against applying for the Federal funds said they didn't approve of Federal funds for schools. Do you belong to the school of thought that believes the refusal of Federal funds can stem the trend toward Federal control? Or do you believe that the trend is inevitable, and that the district might as well get back some of the dollars it has contributed? Only by choosing your school board members, voting for those who represent your point of view, can you have your say in such matters.

You have just one chance to select your representatives on the board. You have that chance this Saturday. It will be a year before you have a chance to speak your mind again.

At the local high school, there is no contest. There are two candidates for the two posts.

At the Antioch Grade School, there's a lively race, with six candidates for the two seats. You have plenty of choice, and the two persons you choose will help decide the course the school will take for the next year.

Courthouse Notebook

BY LOU DURKIN

How much value is there in an official party endorsement in a primary election? This is the problem facing a quintet of Republicans who are seeking Republican nominations in the June 14 primary even though the opposition has been slated for nomination by the Lake County Republican Central Committee.

If the election were this month the endorsement could well be a millstone about the neck of the favored candidates because of a tardy ground swell of resentment against the action of precinct committeemen in handpicking candidates for the primary.

County Central Committee Chairman Robert J. Milton, of Lake Forest, who garnered the endorsement for County Treasurer, has been the particular target of the slating opposition because he not only engineered the slating procedure, but was a direct beneficiary of the unprecedented maneuver.

Deerfield Assistant Supervisor Raymond Sheahan is currently benefiting from this backlash of sentiment, but his problem is to keep the voting public aroused over the effort to exclude them from the nominating process.

In this instance time is on the side of Milton because the public has a way of forgetting as indignation cools.

Milton's prestige as county chairman gives him a ready platform from which to explain the purpose of the endorsements, but his dual role as chairman and candidate could serve as a constant reminder to the voters that his favored position on the ballot was due in no small measure to his clout as chairman of the nominating committee.

The contests for County Clerk and Sheriff nominations pose different problems for the unendorsed candidates.

Sheriff's Capt. Harold Scheskie surprised observers by winning the convention accolade on the first ballot, but nobody was surprised when Chief Norris Froelich ignored the convention decision and filed for Sheriff.

Zion Police Chief Lloyd DeTienne announced before the convention he would not seek the endorsement, but would be a candidate in the primary thus taking his candidacy directly to the people.

The presence of Don Grisheau, of Fox Lake in the Sheriff's race is apparently for laughs, but his off-beat campaign style can be expected to keep interest in the race at a high level.

Scheskie's endorsement was the result of careful pre-convention organization and this same attention to detail, if carried through the campaign, could make it difficult for Froelich to overcome the edge his opponent now enjoys.

The strange metaphysics of politics has, temporarily at least, cast Froelich in the role of the bad guy with some segments of the press, the Lake County Crime Commission and to some extent the Sheriff's Merit Commission.

The same alchemy has tended to cast Scheskie and DeTienne as "the good guys" in the white hats.

Normally, 2-1 odds would be hard to beat, but if DeTienne and Scheskie split the "white hat" votes Froelich would be the beneficiary and ride off into the sunset with the nomination.

At this point in the race the interest is centering on the race for sheriff and the treasurer's contest which is fine with former Coroner Robert H. (Mickey) Babcox, who lost the County Clerk nomination to Truman Gerretsen, who has been hand-picked by County Clerk Gar Leaf as his successor.

Babcox is well-known to Lake County voters having won three hard-fought primaries and figures to out-poll Gerretsen if the endorsement procedure is discredited by the voters.

It was bound to happen. Many Milton opponents are remembering that he was close to Charles Percy in the gubernatorial campaign two years ago and that Percy

Your Congressman

By Cong. Robert McClory

One measure pending in the Congress which the President has failed to include on any list of "must" legislation bears the description "Freedom of Information." The measure (H.R. 5017) is sponsored by Congressman Donald Rumsfeld (R. Illinois). Similar bills have been proposed by other Members of the United States and House.

In short, the pending bill declares that facts in the possession of Federal officials and agencies constitute information to which the public is entitled. This apparent right of the public does not include information such as (a) facts which must remain secret in the interest of national security, (b) trade secrets and confidential information received from the public, and (c) F.B.I. files and other investigatory information.

In order to put teeth in the proposal, any person who is denied access to such public information is given the right to obtain an order in a Federal court to force production of such records or information.

The need for this legislation has been demonstrated in reports of congressional committees over the past ten years. For example, in 1962 a House Government Operations Committee investigated a refusal by the Agency for International Development to produce records and files which disclosed that steel and cement supplied through U. S. foreign aid had helped Communist Russia build a hospital in Cambodia. The Congress had forbidden any such transfers to the Soviets. In addition, the Cambodians had no knowledge that American taxpayers were contributing to the construction of the hospital.

The A.I.D. official who disclosed the facts to the Congress was downgraded and finally forced out of the State Department. Meanwhile, another A.I.D. official who was responsible for concealing this misuse of foreign aid materials has continued to make progress in the State Department.

Other misuse and improper diversion of foreign aid funds in Korea, Laos, Brazil, Peru and elsewhere have been systematically concealed from public scrutiny by refusal to produce information concerning such misconduct.

More recently, congressional attention has been directed toward the concealment by the Department of Defense of information concerning our military preparedness—and information pertaining to conditions and events in Vietnam. These recent incidents of concealment and misrepresentation have been denominated the "credibility gap" or the "confidence gap."

These expressions are descriptive of the growing unreliability of information emanating from the Department of Defense and the entire Executive Branch of the Government. The withholding of information from the Congress and from the public is claimed under a device called "Executive privilege." The existence of any such privilege is to be questioned. There certainly is no constitutional or statutory authority granting officials in the Executive Branch of Government the right to withhold information of public interest.

The subject has developed recently in Washington to the point where officials are reported to be fearful of Presi-

played a key role in the "purge" of six Republican legislators, including former Majority Leader W. J. Murphy.

Not unexpectedly these people are now comparing the "purge" convention in Springfield to the committee congress in Waukegan and old resentments are beginning to stir anew.

It is barely possible Milton ruled out the legislative races in the endorsement plans in hopes the association would not be made.

The Old Scouter Says

Why does a boy join Scouting? To have fun. Why does a boy go camping? To have fun. Why does a boy work on Scout activities and projects? To have fun.

Scouting is a program that appeals to boys and is fun but Scouting is not a recreational program. It is part of the education of the American boy. It supplements the home, church, and school in the development of character, training for participating citizenship, building a boy physically strong, and developing qualities of self-reliance, leadership, tolerance, respect for law and order, service to others, patriotism, and learning to live and work with others.

On May 14 the Northwest District will hold its annual Scout Fair at the Lake County Fair Grounds. The theme for this year's fair will be "Adventures for Youth." It is going to be completely different this year and should be the best ever. Scouts will have tickets on sale after April 20, be sure to get one and see our Scouts in action.

dential rebuke if disclosures are made of information which the President alone considers inappropriate.

Republican and Democratic Members of Congress as well as many representatives of the press are justifiably alarmed. The efforts to secure freedom of information initiated in 1956 by Democratic Congressman John Moss of California and Porter Hardy of Virginia seems to have made progress—until 1962. Most of those investigations were directed against a Republican-controlled Executive Branch by a Democratic controlled Congress. More recently, the concealment of information seems to have increased. The difficulty can be explained by the fact that when Democratic Members of Congress try to apply pressures to a Democratic Executive Branch, they encounter the formidable roadblock of partisan politics.

There is a great need for "Freedom of Information" legislation such as that sponsored by Congressman Donald Rumsfeld (R. Illinois) and others. The Johnson Administration doesn't seem to be interested.

Letters to the Editor

March 21, 1966

Dear Sirs:

As a former resident of the Antioch area, I occasionally read your publication.

I find your publication to be generally well done for a smaller town newspaper with balanced space for display advertising, classified, local and regional news items, some features and a few editorial pieces.

It has always been a pleasure to visit the Antioch area with its country charm, and wonderful, well planned farms of the area.

It is hoped that Lake County authorities will give some attention to conservation matters in the lakes area such as the planning of additional small preserve areas so that some of the natural environment may be preserved.

Sincerely,
W. H. Chisholm

I am a candidate for the Antioch Grade School Board of Education, Dist. No. 34. I have lived in this area for 24 years and have a 7 year old daughter in this school. I was employed at said school as busdriver and custodian, and feel that under these circumstances I am capable and qualified to have a seat on the School Board.

I feel I am qualified to understand the maintenance end of the school, the buildings, buses, and other equipment, which represents nearly a million dollars, which we, as taxpayers, have paid for, and must maintain 12 months of the year. The maintenance of an institution of this size is just as important as the administration end of it, and I have some suggestions which I would like to air as improvements of the daily chores of the custodians.

I hope the voters of this district will see fit to give me a chance to at least let me try for improvements.

Thank you.

Definition — Taxpayer: A person who does not have to pass a civil service examination to work for the government.

Income tax is the fine you pay for reckless thriving. Inflation is when those who save for a rainy day get soaked.

of plays and musical comedies to their audiences. They have presented comedies, dramas, mysteries, children's plays—many of which were definitely out of the ordinary.

Their next production *Borrowed Time*, by Paul Osborn is again unusual. Although it is a fantasy, as several have been this year, it is like none so far produced here. It is fantastic, it's true, but thoroughly believable and down to earth as the story unfolds.

The story is as follows—Gramps (Bob Lindblad) is idolized by Pud, his young grandson (Jay Horton). The lad models his speech and action on the old man, and his salty expressions and behavior are frowned upon by Aunt Demetria (Charlotte Worswick).

Granny (Valerie Hunley), too, does not approve of the boy's upbringing, so Aunt Demetria is brought into the picture. Death in the person of Mr. Brink (Gary Richter) tries to take Gramps away with him, but is forcibly sent about his business.

He does, however, take Gramps. But after Gramps' death, Gramps sends Aunt Demetria out of the house, hoping she will never return. (She is a straight laced, disapproving troublemaker. Brink comes back again for Gramps and again Gramps refuses to go, fearing to leave Pud to the mercies of Aunt Demetria.)

Gramps then outwits Brink by sending him up an apple tree where he is held captive by some strange power. That power is exerted by Gramps and Brink is helpless. By holding Brink in the tree, Death is suspended throughout the Universe.

The remainder of the play, directed by Joe Hunley, will be disclosed at the P.M.&L. theatre on April 22, 23, 29 and 30. Others in the cast are:

Carol Anderson, Steve Krotz, Bruce Worswick, Arnold Schulmeister, Don Beveroll, Jerry Smouse, and Gary Strahan.

Curtain time is 8:30 p.m. Tickets may be purchased at the box office or may be reserved by calling 395-3613. The play is given by permission of Dramatists Play Service, Inc.

These young men will be members of a baseball team which will represent the Navy and carry the colors of the Chicago Cubs. Left to right, Commander W. E. Copeland, Ronald Burrell, Antioch; Michael Gramza, Fox Lake; Gary Selby, Zion, and John H. Grisson, U. S. Navy Recruiter.

Local Youth On Navy Team

Three young men from this area have been chosen for a Navy baseball team which will carry the colors of the Chicago Cubs as they compete with other Navy teams.

Ronald Charles Burrell, Rt. 1, Antioch; Michael Harry Gramza, Fox Lake, and Gary Raymond Selby, Zion, were chosen for the program because of high scores on the qualifying tests.

They will go through boot training at Great Lakes after being formally sworn into the Navy along with 100 other recruits during pre-game ceremonies at Wrigley Field on June 25.

The young men have signed contracts for the Navy's "120-day Delay" program at the U. S. Navy recruiting station.

John Grisson, the local Navy Recruiter in Waukegan, said that the relatives of the young men have been invited to the pre-game ceremonies as guests of the Chicago Cubs and the U. S. Navy Recruiting service.

Benefit Ball Sat., April 16

Plans for the Colillion-a-Go-Go, the ball for the benefit of the Mental Health Society of Lake County, are progressing smoothly, reports Mrs. Annette Lubkeman, chairman of the ball.

The ball is being sponsored by the Antioch Woman's Club, and will be held Saturday, April 16, at Lorenz's Smart Country House. Dancing will start at 9 p.m.

Governor Otto Kerner was invited to the ball, and responded that he would make every effort to attend. He will try to arrange his schedule, he said, so that he will be in the Antioch area at that time.

The Lake County Mental Health Society helps to support the Mental Health Clinic in Waukegan, which serves mental health patients of all ages throughout the county.

Driver Gels Ticket After Collision

A rear-end collision on Main St. near Antioch High School Monday morning resulted in the five occupants of two cars being taken to the Antioch Clinic for treatment and one, Cheryl Bock 17, of Antioch was taken to the hospital.

Miss Bock was a passenger in a car driven by June Horton, 16, of 789 Main, Antioch. Another passenger, Sally Minnick, was treated at the clinic.

The Horton car stopped to pick up a passenger, and a car driven by Susan Gorlitz, 19, of Rt. 5, Antioch, ran into the rear end of the Horton car. Both cars were going south.

Pat Gorlitz, 14, was a passenger in the car driven by her sister.

Miss Gorlitz was given a ticket by Antioch police for following too closely.

Give Safety Tips For Young Cyclists

Is your child old enough to understand his responsibility in traffic?

Will he keep his bike in good shape?

Will he practice a safe bicycle-driver's code?

Will he get proper instruction in bicycle safety before he is permitted to ride in traffic?

Does he live in a safe area, one not heavily congested in traffic?

Are there safe places for him to ride a bike near home such as empty lots, bicycle paths, or marked areas?

The two most important things to consider in buying a bicycle for your child is does it fit the child and is it equipped for maximum safety.

In fitting the child to the bicycle make sure he can reach the lowest pedal position with the heel of his foot while sitting on the saddle.

Safety equipment which every bicycle should contain are a headlight, tail-light or reflector, warning bell, chain guard, and a coaster brake for small children.

After the bicycle is given to the child the parent should sit down and review the basic rules of safety with the new owner.

The Chicago Motor Club has prepared a list of 10 rules which, if followed, will make cycling safer and more enjoyable for the new bike owner.

**Dies While On
Vacation In Michigan**

Relatives here were informed of the death of Louis Baffetti, Antioch, last Saturday in Battle Creek, Mich. Mr. Baffetti died while vacationing with his wife in Michigan.

Funeral services were held Wednesday from Grein's Funeral Home in Chicago.

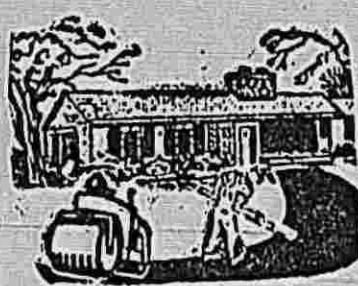

Mr. Baffetti was a retired postal employee.

First aid in the home, on the highway, and in industry was taught to 34,986 Chicago-area residents last year by 1,809 volunteer Red Cross instructors.

owner.

The rules are:

1. Keep your bicycle in good mechanical condition (tires, chain, brakes, etc.)
2. Obey all traffic rules and signs and always give proper hand signals.
3. Walk your bike across busy intersections.
4. Always ride with the traffic—as close as possible to the right side of the road.
5. Be sure the roadway is clear before entering.
6. Always ride single file and watch for opening car doors.
7. Most bicycles are built to carry one person—YOU! and you alone.
8. If you must ride your bike at night be sure your headlights and rear reflector are in good working condition.
9. Select the safest route to your destination and use it. Avoid busy streets and intersections.
10. Yield right of way to pedestrians.

Legion Auxiliary

By Del Jahneke

At the April 1st meeting of the Antioch American Legion Auxiliary, Mrs. Lewis Johnson, Zion, 10th District Director, Mrs. Herbert Gleason, Libertyville, District Alternate Director, Mrs. Henry Reinke, Waukegan, 281, District chaplain, and Mrs. Silver Mae Hayes, Baxter Evans Unit, District treasurer were honored guests.

Mrs. Johnson gave a short talk, and Mrs. Gleason announced that 10th District Auxiliary now has a 98% paid up membership. Antioch Unit Membership Chairman says that Antioch needs only three members to be 100%.

Americanism essay awards were given to: Cheryl Reckers, 2nd; Kathie Chase, and 3rd, Tom Tossey. Cheryl's essay is entered into 10th District Competition.

There will be a 10th District American Legion Auxiliary meeting of April 13 at the Homer Dahlinger Legion home in Waukegan at 8:00 p.m. All Antioch Unit delegates and alternates please plan to attend.

Mrs. Ray Rathmann, Antioch, Unit President and 100th District Americanism Chairman will present \$25.00 U.S. Savings Bonds to the 1st place District winners of the state Americanism essay contest.

The judges for this contest were: Junior Past District Commander George Swenson; Legion District Americanism Chairman Bernard Sheehy, Highland Park, Mrs. Charles Watson, Antioch, and Mrs. William Thompson, Lake Villa, both school teachers.

The guest of honor and featured speaker will be Mrs. John J. McCarthy of Chicago, State Director of Hospital Services. She will speak on the 10th District Auxiliary's activities at Downey Hospital.

Mrs. Richard Orlovski, Fox Lake, District Poppy Chairman, will hold a Poppy Hat contest for the Auxiliary members at this meeting. Members will use left-over poppies from last year, with 50 poppies as a minimum number to use, to fashion their hats. Mrs. Orlovski will give personal awards to the winners.

A Memorial Service for all the deceased Auxiliary members this past year, will be conducted by Mrs. H. Reinke, District Chaplain, with the unit chaplains participating in this reverent ceremony. Mrs. Reinke is a past president of the Antioch Unit.

Scout News

Mrs. Thomas Jacobsen, Beach Grove, and her daughter, Mrs. James Ruhl of Zion, attended a fashion show on March 29 at the Waukegan Inn. Neal's Fashions of Gurnee presented the style show.

Cadet 2nd Lt. Ed Jahneke, Jr., of the Onarga Military School, left on April 6th to travel to Fort Hood, Texas, to spend his Easter leave there. Eight other senior officers, and four faculty officers will be guests of the U. S. Commanding General of Fort Hood, with the 41st Infantry Battalion being their host unit. The Cadets will have an opportunity to investigate the various branches of the U. S. Army, and will be allowed to fire some of the weapons there, ride in the army tanks and other vehicles, etc.

Cadet Jahneke's Rifle team won third place in state competition. Out of a possible 1,000 points, Quincy scored 916 points, and Mattoon scored out the OMS team by two points, 904 to 902.

Mrs. Lucy Himes, a former resident of Antioch who is now living in Dixon, Ill., has been very ill. She is still in the K.B.F. Hospital in Dixon, Room 124, and would undoubtedly appreciate hearing from friends in Antioch.

Mrs. Melvin Stillson has undergone serious surgery recently. She hopes to be able to convalesce at her home in the near future.

CARMEL HIGH CLUB TO SPONSOR DANCE
Carmel High School's "C" Club is sponsoring its first annual dance Saturday, April 16. The dance will feature Clark Weber, the popular disc jockey from WLS radio, and Gary and the Knight Lites. MOOSE TOPICS

By Lillian Birdsall

Enrolled as new members into the Antioch Moose Lodge Saturday evening, April 2, were Leonard Turner, sponsored by Orville McClure; Carl V. White, sponsored by Dick Jorgensen; George Tyraowski and Leonard Grefkowitz, both sponsored by Wilbert Solonen.

Greg Anastos represented the Boy Scouts of America at the L.O.O.M. meeting held at the Antioch Moose Home Wednesday, March 22. Greg, who is 14 years of age, has quite a list of honors to his credit, since becoming active in the Scouts 3 years ago. He is the instructor for Troop 295 of Mundelein, an Eagle Scout, which is one of the highest honors a scout can receive and also has the order of the Arrow. Greg is the son of Mr. and Mrs. John Anastos of 1149 Lamond Dr., Mundelein.

The W.O.T.M. will have an open meeting on Thursday evening, April 7, at the Antioch Moose Home. This is the one time when non-members are welcomed to attend and it's the time for all co-workers to bring in their friends and acquaint them with the work of the W.O.T.M. The Senior Regent, Evelyn Miller has invited five other chapters to attend this open meeting and is hoping for a good turnout.

Nominations for new officers into the L.O.O.M. will take place at the Antioch Moose Home on Wednesday evening, April 13. This year, for the first time in the history of the Supreme Lodge, a leadership training program for every Governor and Junior elected for the 1966-67 term is offered to them. The program which will be an all day session is devoted to explaining the duties and responsibilities of a lodge governor. In Illinois this session will take place in Edwardsville, at the Holiday Inn on April 24 and at Mooseheart.

The Art Classes sponsored by Bee Perry will begin on Tuesday evening, April 5, at the Antioch Moose Home. There is still time for anyone interested to sign up.

The Easter Bunnies are planning a visit to the Antioch Moose Home on Friday evening, April 8, to entertain the diners at the Friday night Fish Fry. This should be an extra special treat for all the little ones who attend. Seth and Gerry Mark attended the Mid-Winter Conference for the Illinois Moose Association held in Decatur at the Hotel Orlando on March 25, 26 and 27.

Meet the State Champs! The Junior Girls Bowling team from the Antioch Bowl took the State Championship when they bowled at Springfield March 26. Here they are shown as they received trophies for their County Championship. Left to right, Abe Johnson, president of the Lake County Junior Bowling Association; Mary Lou Muller, Lee Anne Tanner, Karen Daniel, Linda Walpole and Charmaine Daniel.

The Junior Boys bowling team from the Antioch Bowl took second place in their division in the State Tourney at Springfield. Left to right, Tim Barty, Mike Christensen, David Turner, Ron Nielsen and Keith Bolton.

Jr. Girl Bowlers Are State Champs

The young league bowlers at the Antioch Bowl came home from the State tournament covered with glory.

The Junior Girls' team are State champs. Confirmation of the team's first-place status was received by Myrtle Sam, payo Saturday.

The members of the Junior Girls team are Mary Lou Muller, Lee Anne Tanner, Karen Daniel, Linda Walpole, and Charmaine Daniel. Each of the girls shot more than 100 pins over their average to win the State finals.

The tournament took place in Springfield March 26. Six Antioch teams went to the tournament, all having won the county titles.

The Junior girls scored a total of 3,017, with handicaps, for three games, to win the State title. They were competing against 35 teams from all over the state. They will receive a trophy for their efforts, and a trophy will also be presented to the Lake County Junior Bowling Association signifying that Lake County won the championship.

ship.

The Junior Boys just missed the championship, coming in second in their division with a total of 3,110 pins. The boys on the team are Tim Barty, Mike Christensen, David Turner, Ron Nielsen and Keith Bolton.

The Senior Girls took fourth place, with a 2,940 total, the Senior Boys 9th, with 2,972 pins.

Jeff Wegner, Senior Boys team, had the high scratch series for the Antioch youngsters with a 572 actual count. Stephanie O'Higgins was high for the girls with a scratch series of 495.

Wins Table Tennis Championship

Sally Rodgers of Zion defeated Nancy Ruhl to retain her title of Table Tennis champion of Lake County recently.

The first and second place winners are sisters, both daughters of Mr. and Mrs. T. A. Jacobsen of Antioch.

Track Squad Shaping Up

Antioch's track squad held an inter-squad track meet Saturday on the school parking lot as a tune-up for the formal opening of the season today when they will have a dual meet at Woodstock.

"The meet is held under difficult conditions," Coach Andrews said, "the boys are running in their sweat clothes, up and down hill and in bad weather, so it's hard to really evaluate the performances. Besides that, due to the space available in the lot it was impossible to lay out the proper distances."

Even so, Coach Andrews was highly pleased with the performance of some of his charges. Wayne Hanson, a junior, threw the shot put 43' 9". "That's not a bad toss for this early in the season," Andrews said.

Jim Litchfield and Blaine Backman turned in times of 1:57.2 and 1:57.3 respectively for the 800 yard run. "They are already 3 seconds under Jim Effinger's time in this

meet last year," Andrews said. "If they keep improving they will both be running the 800 in under two minutes by the end of the season," he added.

"I was afraid I was going to be real hard up for sprinters," Andrews said, "but Bill Sheldon and Chuck Bista are coming along real fast." They ran the 100 yard distance Saturday with no starting block, tennis shoes and sweat clothes in 10.9. "I also have another boy that I have very high hopes for. Paul Yaska is only a freshman but he fouled the distance in 11.3 and is getting stronger every day."

"Our distance runners also showed up well Saturday," Andrews added. "Tom Wolskiak and Tom Doolittle ran a distance of 1600 yards in 4:30 and 4:33 respectively."

"It's going to be a young squad," Andrews said, "but these underclassmen are working hard and I think they are going to come up with some surprises."

Ball Team On Way Up, Says Seemann

"From the bottom of the cellar, where else can you go but up?" That was new varsity coach Bill Seemann's comment on the approaching baseball season at Antioch High School.

"It will be a young team," Seemann added, "mostly juniors, and I am also bringing up four sophomores. There will be three boys from last year's squad that I expect to help a lot," Seemann said. "Captain Ron Stanek will play centerfield, Richard Albano will be at second base and Don Mason will head the

pitching staff. "The success of the season for Antioch will depend on how well the underclassmen develop and come through for us. Juniors Richard Stroner, Wayne Channel, and Marnie Baker will complete our pitching staff. They lack experience but have been working hard since February 1st getting their arms in shape and I feel they will hold their own."

Monday Night Tavern League April 4

First place Antioch Bowl dropped two games to a very hot Dee Gae Lounge, 659-1034-901-2799 for Dee-Gae, and the high league scorer, for the evening, John Bishop, 182-234-189-605.

Second place Steve's Channel Inn fared no better, taking it on the chin for two losses to last place Cole's Tavern. Pat's Lounge led by Bill Owens, 176-202-150-537, won two from John Wagner, 192-176-181-549 and the third place Helvetia Hotel.

With three weeks to go, Lefty Bolton came to life with a fine 204-212-180-596, leading Norshore to three wins over Kemp's Tavern.

him mostly as a relief pitcher. "Richard Vitek and Dick Petersen are currently fighting it out for the number one catching job," Seemann went on. "Which boy gets the job will depend on which one comes through at the plate."

Leonard Clark and Bob Hockmuth, both juniors, will be in left field and right field respectively. They both can hit," Seemann said, "and I am counting heavily on them for our scoring punch."

"The four sophomores I mentioned will round out the squad. Gregg Drije will play first base for us, he has a good knowledge of the game and before the end of the season should develop into my hit and run batter."

"Mike Redden will hold down the third base job. Mike doesn't look like a third baseman physically but I think he'll get the job done. "Alphonso Alexander will be my shortstop. He is fast, has a good arm and it looks like he will be my lead-off man."

"Steve Miklautsch will round out the all-sophomore infield at second base. He has the physical and mental versatility required of the position and if he can improve his hitting somewhat, he will fill the bill."

Some of the other boys expected to see action this spring Seemann said, are Chip Tanner, utility infielder, Doug Runyard, outfield, and John Basila outfield.

Managers James Neyrinck and Keith Petersen complete the squad.

"These boys are tired of being the doormat of high school sports at Antioch High," Seemann added, "They want to win games. I feel that pitching is about 80% of the battle in high school baseball and if our pitchers can come through for us we'll be a winner."

"It's an old joke around here now that if we don't win the administration is going to roll up that new sod they laid down on the infield. I expect that sod to be there for a long time."

Stolen Cars Recovered

Although more than 90 per cent of all automobiles in the United States are recovered, about 30 per cent of the recovered cars have been damaged or stripped of parts—many to the extent that they represent total losses.

Expense of time is the most costly of all expenses.

Interest May Be Deductible

You can deduct certain interest payments on federal income tax returns, said E. C. Coyle, Jr., District Director of the Internal Revenue Service in Chicago.

When you elect to itemize

deductions, you can deduct

interest paid on personal

debts, interest on bank loans

and home mortgages.

A portion of so-called "car-

rying charges" paid on install-

ment purchases of automo-

biles, television sets, and pay-

ments for educational ser-

vices may also be deducted.

Where the carrying charges

are separately stated but

the interest charge cannot be

determined, the deduction is

limited to an amount equal to

six per cent of the average

unpaid monthly balance on

the installment contract, or

the portion of the total carry-

ing charge allowable to the

year, whichever is less.

Sometimes money is bor-

rowed on a discount basis.

That is, the interest is sub-

tracted in advance and a note

is signed for the amount larg-

er than you receive. If you

use the cash method, the in-

terest may be deducted as in-

terest only as you make pay-

ments on the note. If you use

the accrual method, you may

deduct the interest as it ac-

crues. Taxpayers cannot de-

duct interest paid on money

borrowed to buy tax-exempt

securities or single-premium

life insurance, nor interest

paid for another person if the

taxpayer has no legal obliga-

tion to pay it. The denial of

interest deduction, subject to

certain exemptions also, per-

tains to life insurance, endow-

ment, or annuity contract

purchase plans which contem-

plate systematic direct or in-

direct borrowing of part or

all of the increases in cash

value of such contract.

formation on this subject,

We have a problem with our Catalina we just can't fix.

It looks expensive.

It looks so expensive that a lot of people don't realize it's priced right down there within reach of most low price buyers. Which sort of makes you wonder why you should buy a low-priced car when you can buy a high-priced car for the same money. A Pontiac Catalina.

Wide-Track Pontiac Catalina
(A big, powerful Pontiac for less than \$3000*)

*Manufacturer's suggested retail prices for 2- and 4-door sedans and 2- and 4-door hardtops are all less than \$3000. These prices include excise tax and suggested dealer delivery and handling charges, transportation charges, title and local taxes, accessories and optional equipment additional.

TABLE ETIQUETTE

Elegant table etiquette requires that food from the dinner plate be lifted to the mouth with the fork, held in the left hand, prongs down. Only the most dextrous and well-bred can manage peas in the approved manner.

There was a day when hungry people, especially in rural areas, lifted food on both knife and fork. A special knife was designed for those who were unable to balance peas on their knife. The designer reasoned

THE ANTIOCH NEWS 7 THURSDAY, APRIL 7, 1966

that if holes were cut in the blade, the peas could be safely lifted to the mouth without spilling. This knife has holes for 14 peas, thus insuring a generous mouthful. What's wrong with mashed potatoes for holding 'em?

corresponding secretary; and Mrs. Ronald Havin, treasurer. A place to hold the annual dinner and a date was discussed.

Little League Meeting

The Lake Villa Township Baseball Organization will hold its last meeting before the annual Pancake Breakfast on Wednesday, April 6, at 8 p.m. at the Lindenhurst Civic Center. All parents are urged to attend. The breakfast is scheduled for Sunday, April 17 from 7 to 1 p.m. at the Lindenhurst Civic Center. All youngsters planning to play in Little League or Pony League must register that day, during those hours.

Vocalists to Help PTA to Raise Funds

The Frank J. Hough Vocalists will sing at the Antioch High School on Friday, April 15, to help the PTA to raise

\$400 for a scholarship. Mary Shore and Harriet Dickson and children in the music classes are selling the tickets for adult and students. Tickets may also be purchased at the door.

Souvenir Stamps To Be Issued

As a tie-in with Lake County (Illinois) Philatelic Society's Club Project for 1966, a special souvenir sheet reproducing the two postage stamps that the United States has issued in conjunction with the American Red Cross will be offered during LACOPEX '66 on April 16 and 17, 1966.

The club project is co-sponsoring a stamp program with the American Red Cross for the wounded and sick of the armed forces at Great Lakes Naval Hospital. This year is the 85th anniversary of the organization by Clara Barton of the American Red Cross, and this event is commemorated by the special souvenir sheet to be issued by the Society during LACOPEX '66.

The sheet is not valid for postage, so it will be inserted inside envelopes and franked with appropriate commemoratives. Collectors interested in obtaining this 3x5 inch bi-color souvenir sheet should include a self-addressed envelope and 25c in stamps or coins to Howard Shaughnessy, 2423 Chestnut St., Waukegan, Ill. covers will be postmarked on Saturday, April 16, unless otherwise requested.

Mrs. Paul Pearson, and Val's father, sister and her family were all there.

Wins 1st Place in Trap Shoot

The Deer Valley Gun Club held a closed trophy trap shoot for members last Sunday at their range on Beck and Loon Lake roads. Approximately 20 members competed, with Chuck Smessert breaking 24 birds out of 25 to place first. It was a handicap shoot. Ed Brady placed second, shooting 19 of the clay targets. John Fuka placed third when he brought down 18 birds. Warren Frontzak, Lindenhurst Chief of Police emerged the winner when he, Ron Roth and Bob Simons

had a shoot off. Warren hit 17 of the targets. Booby prize went to John Slove. They aren't saying how many he hit.

The Club is interested in gaining more members. Anyone interested in target shooting or hunting is invited to drop in at one of their meetings held at John Slove's home on the third Thursday of every month at 8 p.m. They are planning an antelope hunt in Wyoming next October.

Christened

Thomas Edward, infant son of John and Pat Brown, 215 Countryside, was baptized at Prince of Peace Church last

week. The baby's great-uncle and aunt, Vincent and Mildred Monheer of Kansasville, Wis., were his godparents. Other guests were the grandparents, Mr. and Mrs. Monheer, Sr., and Jr., of Venetian Village.

Fifth Child

Mr. and Mrs. John Gibbons are the parents of a daughter, Sharon Lynn, born March 26. The little lady was born at Condell Hospital in Libertyville. She weighed in at 7 pounds, 12 ounces. Her brothers are Kevin and Scott, sisters are Kelly and Susan. The grandparents are Martin and Bridie Gibbons of Lindenhurst and Elmer and Edna

Tenner of Elmwood Park. Visit Missouri!

Ray and Millie Caldwell, their two daughters, Julie and Jeannie and married daughter Linda, her husband, Roger Halek and baby J. B., drove down to Vandavia and Center Missouri last Friday to visit Millie's relatives. The girls were quite thrilled crossing the Mississippi River and in visiting Mark Twain's home in Hannibal, Mo. They also stopped at Lincoln's home in Springfield. They came home Sunday afternoon.

Only modern electric heat is as clean as the sun

Electric heat is unlike any other type of home heating. It's flameless—it burns no fuel, and it keeps your whole house cleaner, more comfortable. And because an electrically-heated home stays clean longer, wall washing and redecorating are kept to a minimum.

With electric heat, you can pick the type of heat you want. There are 5 basic types of flameless electric heating equipment. Depending on your heating requirements, one system may be used separately, or several may be teamed together.

If you're planning a new home or thinking of converting your present heating system, check into electric heat. You'll find that it's the most modern, convenient type of home heat today. And it's clean.

For more information about electric heating, call our nearest office.

LEGAL NOTICE OF FORECLOSURE SALE UNDER CONDITIONAL SALE CONTRACT
NOTICE IS HEREBY GIVEN THAT:

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

LEGAL NOTICE OF BIDDERS ON SEWER REPLACEMENT
1. The Village Board of Lake Villa, Illinois, will receive sealed bids for doing the labor and furnishing all materials necessary for removing and replacing a Sanitary Sewer in Burnett Avenue, as shown on plan sheet—a total of 194 LF of 8" Cast Iron Pipe.

2. Said bids will be received until 8:00 P.M., CST Monday, April 18, 1966, at the Village Hall, 65 Cedar Avenue, Lake Villa, Lake County, Illinois, at which time and place said bids will be publicly opened.

All bids must be submitted on the standard proposal form furnished by the Village.

3. Each proposal must be accompanied by a certified check, a bank cashier's check, or a bank draft in the amount of ten per cent (10%) of the total bid price made payable to the Village of Lake Villa as evidence of good faith to enter into contract in the event of contract award and to secure the said Village against any loss occasioned by the failure of the bidder to abide by and comply with the terms of his bid.

4. All materials to be furnished and work done shall be in accordance with plans and specifications now on file in the office of the Village Clerk in said Village. Copies of said plans and specifications can be obtained on application at the Village Hall.

The Village Board of Lake Villa reserves the right to reject any and all bids, and to waive technicalities.

Did You Ever Think of Getting Your Easter Bonnet From A&P?

We don't sell Easter bonnets but...
we suspect many an Easter hat
has been paid for with money saved by shopping A&P.

Are we implying that A&P has the lowest prices
on all items all the time?

No!

There is no store that can make that claim.

What we are saying is:
if you're interested in your total food bill,
if you're looking for the best values
for your food dollar, A&P is the store for you.

It's a little late for this year's Easter bonnet,
but start shopping A&P this week, anyway.

It won't be long before
somebody in the house will need a new pair of shoes.

Is this a good reason for shopping A&P?
It's one of many.
